

Pathway Outreach Ministries, Inc. was founded in 1994 by Harry Whitt. Our purpose is to lead people to Christ for salvation, healing, and restoration. The journey continues as we become lifelong disciples of Jesus Christ being transformed by the Word of God, submitting to the Holy Spirit, and committing ourselves to a life of humble service to God and man. Our goal is to live and lead others in the journey of true discipleship with Jesus.

Pathway Outreach Ministries has affiliated and partnership ministries in five countries of the world. Our anchor ministry is in Haiti where we have a church and a school of 400 students with a feeding program for the students. We have a Mercy Ministry where we assist poor widows with sustenance.
